City of Woodland Park Staff Report for City Council

ITEM:

Ordinance 1400, approval of certain water shares

BACKGROUND:

On July 1st City Council approved Resolution 877 authorizes the Mayor and City Clerk to enter into a contract for the City's purchase of 1.0 shares of stock in the Twin Lakes Reservoir and Canal Company from Leonard and Shirley Talkington. Ordinance 1400 is the acceptance of the 1.0 Twin lake shares as they are considered real property. The Twin Lakes shares are extremely vital to our water customers. Twin Lakes Reservoir shares produce transbasin water as well as providing water storage space in Twin Lakes Reservoir. The water that is produced from the shares is fully consumable water and the City uses this water to replace the consumable portion of our local water therefore making it legal to pump water from our local water sources. This share purchase does not expand our available water however it ensures our water security for future years.

All parties have accepted our offer for the 1.0 Twin Lakes shares. This is a onetime cash payment. The purchase will be funded with water capital funds from the Water Utility Enterprise. We cannot predict when reservoir shares might become available and this expense was not included in the 2021 budget. The fund balance for the Water Enterprise is healthy and we are in a great position to take this opportunity to help secure our water future.

STAFF RECOMMENDATION:

Approve Ordinance 1400 after the Public Hearing authorizing the Mayor and City Clerk to execute and attest the 1.0 Twin Lake Reservoir water shares from Leonard and Shirley Talkington.

WHEREAS, the City has conducted the necessary due diligence under the terms of the contracts; and

WHEREAS, the sellers of the Shares have agreed to sell the Shares to the City of Woodland Park; and
