

Project Fact Sheet

CO 67 Widening in Woodland Park

Project Overview

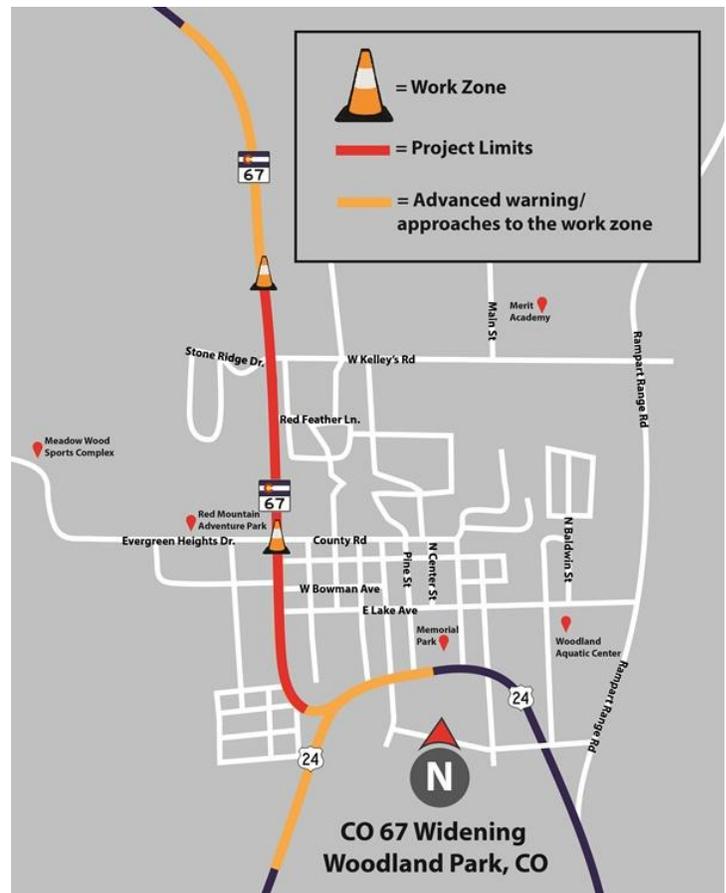

The Colorado Department of Transportation will begin widening and making safety and traffic flow improvements to a section of Colorado Highway 67 in Woodland Park on March 10. The primary scope of work includes widening CO 67 from County Road/Evergreen Heights Drive to West Kelley's Road from two to four lanes with a shared middle turn lane. Other work sitewide includes building raised medians near major intersections, upgrading traffic signals at West Kelley's Road, installing new pedestrian facilities, and making drainage and safety improvements.

Project Schedule

- The project is set to begin on March 10 with expected completion by late September.
- Normal working hours will be from 7 a.m. to 6 p.m. Monday to Friday, with overnight work from 7 p.m. to 6 a.m., Sunday to Thursday.
- Some weekend work is also expected.

Travel Impacts

- Single lane closures in both directions of CO 67 from the US 24 junction to County Road/Evergreen Heights Drive from Sunday to Saturday.
- Single overnight lane closures in both directions of CO 67 between County Road/Evergreen Heights Drive and 900 feet north of West Kelley's Road, Sunday to Thursday.
- Overnight single lane closures in both directions of US 24 at the approaches to the work zone.
- Flagger will be present to manage traffic flows during lane closures.
- A full closure of Stone Ridge Drive at Ptarmigan Drive may occur, with detour signs from Millstone Lane to Research Drive posted.
- 10-foot width restriction.
- Speeds reduced to 35 mph.
