WOODLAND PARK, COLORADO (May 13, 2025)

The City of Woodland Park, along with the City Council of Woodland Park, announce the resignation of Councilmember Carrol Harvey, effective today, May 13, 2025, at 5 PM, following the conclusion of a recall process.

Councilmember Harvey has served the City of Woodland Park with dedication and conviction for many years. Throughout her tenure, she remained committed to addressing the needs of her constituents and serving on the following Boards and Commissions: City Council, Planning Commission, Charter Review Advisory Committee, CML Legislative Policy Committee, and the Keep Woodland Park Beautiful Committee, just to name a few.

A veteran of the United States Army and a steadfast community leader, Councilmember Harvey brought a deep sense of duty and service to her role in city government. Her leadership, insight, and passion for public service have left a lasting impact on the City of Woodland Park.

Councilmember Harvey shared the following message: "I am very appreciative of the opportunity to serve the community by providing my experience and expertise to the incoming City Council in 2024. At this point in time, I believe all Council members, including the latest appointee, are prepared to govern with confidence and care for our city."

While the outcome of the recall process has led her decision to step down, the City Council recognizes the significant contributions Councilmember Harvey has made to our community and expresses gratitude for her years of dedicated service.

The City Council will follow the appropriate procedures outlined in the city charter to address the vacancy in the coming weeks.
